Green Valley 50+ Club  
4890 Argonne Way  
Denver, CO 80249

Dear Members of the Green Valley 50+ Club,

It is with heartfelt gratitude that all of us at Catholic Charities Little Flower Assistance Center (LFAC) take this opportunity to thank you for your most generous donations of food, toiletries, personal care items, and warm clothing.

Words cannot describe the looks on the faces of our food pantry clients when they receive a gift bag containing the items you have donated. It has been a lot of years since many of them have received a Christmas present from anyone, and they are moved to tears by your kind generosity.

The contributions and support of our community friends are the foundation of our efforts to reach out to the poor, unemployed, and marginalized individuals in our community who have found it increasingly difficult to provide for their families. With our team of dedicated service providers and volunteers, LFAC provides referrals and resources that assist clients of all faiths and cultural backgrounds in meeting basic human needs and achieving greater access to economic opportunities. Since we first opened our doors in September 2013, our caseload has grown to serving over 2,000 individuals per month. Our ability to accommodate this demand would not be possible without the support of caring neighbors.

Again, thank you for thinking of Catholic Charities/Little Flower Assistance Center with your most timely and welcome Christmas donations.

May God bless you,

A handwritten signature in blue ink that reads "Donna Potter".
